Good morning Rachel and Chris;

Thank you so very much for your dedication to our laundry system. Our washer and dryer are performing beautifully! As a busy mother, I truly appreciate the fact that you understand the importance and value of everyday appliances, which we have become dependent upon!

The customer support that Goldline offers is unique. Trent and I believe wholeheartedly in the spirit of family businesses and the level of personal service that you provide is, unfortunately, rare. We are now a member of the Goldline family and we will remain loyal customers for our future appliance needs. Also, we will recommend you to all our friends and family- and to their friends and family.

Again, we thank you sincerely, and wish you and your family a restful and merry holiday season.

Trent and Withanie Lemke
